THE LOCAL ACTION GROUPS IN NORTHERN SAVO, FINLAND

We are ready to cooperate and we are looking for international partners, please contact local Leader-group. The Local Action Groups (LAGs) develop rural areas by funding local projects in the common interest and supporting local enterprises. Funding comes from The European Agricultural Fund for Rural Development (EAFRD), national government and local municipalities. Also private funding is needed. There are three LAGs in Northern Savo:

LAG Mansikka, LAG Kalakukko and LAG Ylä-Savon Veturi.

Co-funded by the European Union
